Alexis (Lexy) Giles Mark and her daughter Nicole Mark/CCC-4 have moved back to Maryland from NC near BWI. Lexy is excited that she and Nicole have joined husband Don, her other children Robin and Michael and grandson Mikey, and everyone is now living close together in Maryland. Lexy's husband Don is still playing sax for the oldies group *The Fabulous Hubcaps*. Lexy will spend January in Florida with Don while he is on tour there. Don and Lexy still have their indie record label, NIROMI, for Don's jazz music projects. Nicole, a yoga instructor with a background in health care, is pursuing a graduate certificate in data science from the Johns Hopkins University Bloomberg School of Public Health. This year was Lexy's first Silverliner Convention. She met so many new friends and had such a fun time as a first-time delegate for CCC-4 and is excited to be co-chairing HUGS. Although Lexy was not prepared for the Ms. Silverliver Contest, she will be next time! A special thanks to the DCA chapter for a memorable 60th Diamond Anniversary.

Sander Roberts/CCC-4 holding the Eastern Airlines uniformed doll that **Lexy Mark** constructed. The total proceeds from the sale of Lexy's doll went to the HUGS fund. Big thanks to Sander for her support of HUGS and for being the first person to purchase one of Lexy's doll creations. A special thanks to **Pat Heller McBreen/CCC-4** for displaying the Eastern uniformed dolls in the hospitality room.

Carol Corbett Comerford wants to send her heartiest congratulations to the Washington chapter for that outstanding convention. What an incredible group of fun loving, creative women to make the magic happen. Hats off to all of you women--Claudia, Kathy and the entire chapter for the gift of the "Silverliner Diamond Anniversary" that will never be forgotten. All of your efforts were greatly appreciated. It was wonderful for me to be with my New York group and attend an awesome Champagne Brunch at Nancy McKenzie's. I was heartened to become reacquainted with dear Silverliner friends. I am truly grateful that Eastern Airlines had the vision to have hired this incredible diversified group. The camaraderie was sensational! The Georgetown House Tour, lunch with my sister, my niece, and two nephews topped off a super weekend. On a personal note, Bob Pileggi and I celebrated our third wedding anniversary on the 14th and have planned a trip to Paris and Tours to celebrate on May 29th

And from our own **Shirley Dees Booker/CCC-4** (who was very much missed in DCA) - Hi!! so sorry I missed the gala in DC, one of the few I have missed since 1978 in Mexico City. I woke up one morning last summer and could not walk. Trip to the emergency room and MRI and I had water intoxication (I drank too much water) so much for the 8 glasses a day ..thanks Dr. Oz. Love my doctor, he said, "If you are going to drink water Put Some Scotch In It!!!" Come to Charlottesville and I'll take you to lunch...Until, Shirley
