

The Florida Keys Chapter is a very vibrant group of ladies who work non-stop throughout the year to support Monroe County Kids, from getting them ready for the school year to sponsoring class rooms and furnishing i-pads for those with special needs. For Key West High School, our Silverliners purchase uniforms, class rings, gift cards, prom dresses . . .

To raise money we send donation letters and have silent auctions, raffle prizes and serve lots of food at a local eatery which is attended by most of the island population. All this in order to take care of island children.

The Chapter of Silverliners, along with the Conch Flyer Restaurant and Key West International Airport organize the annual "Flight to the North Pole" the first week of December. It has become a signal to the community that the Christmas season has begun. Over 650 local children from local schools and Pre-K Schools throughout the lower Keys attend this event. While at the "North Pole" the children are greeted by Santa's elves and helpers and enjoy crafts, music, games and other fun events. Lunch is served and the children are entertained by local talent musicians and artist. The highlight of the afternoon is the appearance of Mr. & Mrs. Clause when each child receives one on one attention and a special gift.
