

# FORT LAUDERDALE CHAPTER NEWS—FLL

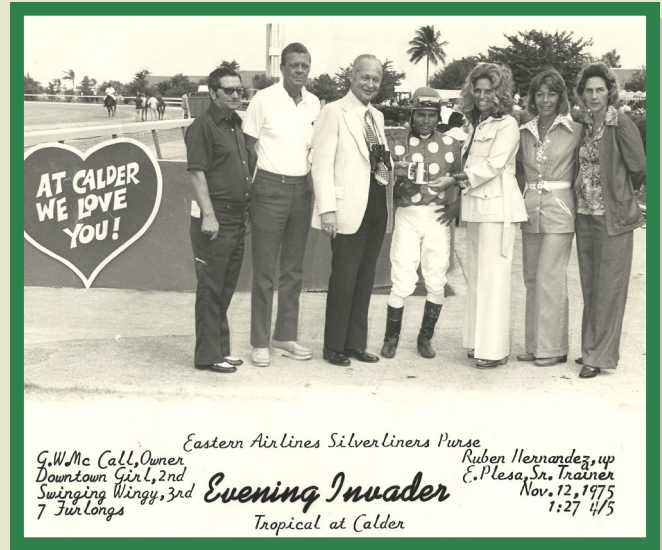

The FLL Silverliners have been busy. Clarice *Ernst* Lancaster, Diane *Donnelly* Mittelstaedt, Jan *Berge* Gerner and Lynda *Morse* Stackhouse attended the convention and had a wonderful time. Thank you DCA for all your hard work and hospitality.

We continue to meet once a month for lunch or dinner with each of us taking turns picking out a popular eatery. Then on the final Friday of each month, we have become regulars at the Creativity Café. Our charity, the 9 Muses Drop-In Art Center, comes alive with the talents and imagination of the members of 9 Muses. The center provides those with a mental illness an opportunity for self-expression and recovery through the arts. We also collect toiletries for the Muses since things like soap, toothpaste, deodorant, toilet paper and other non-food essentials cannot be purchased with food stamps and the members are on very fixed incomes. The fully-functioning art studio is part of the Mental Health Association of Southeast Florida, which promotes mental health and victory over mental illness through education, prevention, advocacy, research and empowerment.

According to the National Institute of Mental Health, one in four adult Americans will suffer from a diagnosable mental illness in any year. Who's in your four?
