

The Coast to Coast Chapter of Silverliners is made up of members who either do not live near an existing chapter or choose not to join an existing chapter but still want to be involved. So, if you fit into one of these categories, Coast to Coast is the place for you! The CCC chapter meets once a year in conjunction with either the International Convention or International Board Meeting.

Our International Vice President is the ex-officio President of the CCC Chapter. If you are interested in joining CCC, please email thesilverliners@myyahoo.com

Many of our chapters have evolved from the Coast to Coast members. If you are interested in forming a chapter in your area, please contact the Outreach Membership Committee at thesilverliners@myyahoo.com
